

**The ELANCO Library's Operational Campaign 22 is underway!
Help us reach our goal of \$112,000.**

Dear Friends,

For generations, the Eastern Lancaster County Library has served our local community, and we've benefited greatly from the support of community members like you since our founding in 1933. For this, we are truly grateful.

2021 was a year of resilience, recovery, and reinvention for the ELANCO Library. Your generosity sustained the daily operations of the library throughout the year, enabling **38,354** library visits, attendance of **2,545** at in-person library programs + **574** at online events, checkouts of **102,299** library materials + **11,545** eBooks & audiobooks, **1,650** uses of our public computers + **2,066** devices connecting to our Wi Fi, **21,565** visits to our website, and so much more...and those are just a few of the numbers.

We want all this good work to continue, but here's our challenge: State and municipal funding only cover about **one-third** of our annual budget. This means we must raise approximately **two-thirds** of our annual operating costs by fundraising each year! We're hard at work seeking sustainable funding, and we are frugal to keep costs low, but we nonetheless need **your** help to reach our 2022 goal of raising \$112,000.

Would you consider making a tax-deductible donation directly to the ELANCO library via one of the methods detailed below? Your ongoing support will allow the library to continue to serve its mission to be an all-inclusive community resource for education, empowerment, enrichment, and entertainment.

Giving directly to the ELANCO Library is quick and easy and we welcome your support at any time throughout the year. To make your tax-deductible donation, you may:
