Handheld Video Magnifier

Would you like to borrow a tool to make reading small print easier? Do you or someone you know struggle with reading due to having low vision? Check out a *Ruby XL HD Handheld Video Magnifier* by *Freedom Scientific*! This device is very simple to use and can magnify any print or object up to 14 times.

The Art of Argument Kit

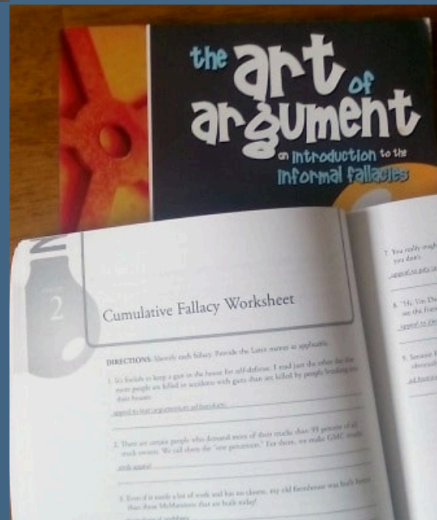

Check out ELANCO Library's new *Art of Argument Kit*, which includes books, flash cards, DVDs, visual aids, and more, designed to help you detect and avoid 28 logical fallacies! Equip yourself to be more persuasive and to recognize and identify the logical fallacies you face daily, in ordinary conversation, in the news, on TV, or on the internet!

Stuff They Left Behind Portfolios

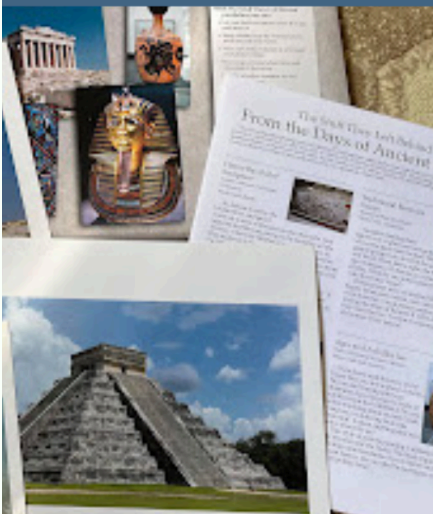

Did you enjoy ELANCO Library's Art Study Kits? You may also like our new *Stuff They Left Behind Portfolios*! Publisher's description: "The stuff that the ancient civilizations left behind tells a deep story. Those ancient artifacts and architecture reveal much about what life was like throughout the great eras of history...bring those ancient storytellers into your home...Each portfolio collection consists of sixteen large, full-color photographs of important artifacts and architecture. A handy booklet is included to provide Leading Thoughts with interesting background information and discussion questions.... understand more of the story of history through the fascinating stuff that people of long ago left behind!"

Five portfolios are available: *From the Days of the Middle Ages*, *From the Days of the Modern Times*, *From the Days of Ancient Greece*, *From the Days of Ancient Rome*, *From the Days of Ancient Egypt*. While designed with students in mind, these kits are also sure to captivate adults interested in history or art.
